“ *My sincere condolences . I know she is my 2nd cousin by blood but to me she was my Auntie Bea... I've had so much fun with her and i will miss the calls, the visits, lunches at one of her favorite spots.. My greatest memory was the last dinner we had with mom (Pie). Auntie Rose and Auntie Bea came over for dinner (Jan 2, 2006), I'll never forget that night. It truly was non-stop laughter and stories.. A priceless night for me and I will always hold that night in my heart. I know Mom greeted her and I know they're dancing up a storm. Love cousin Patricia*

“ Cousin Bea . . . I have so many fun, loving memories of you and that will forever live in my heart. My most favorite one . .when I was little (about 5 yrs.) , when we used to go visit I would go to your bedroom and you would let me dress up with all your fancy clothes and all your sparkling jewelry. . .I felt like a movie star. I will always cherish these memories and keep them in a special place in my heart. I love you and you will be forever missed. Debbie
