“ Tracy,
We are so blessed to know you and call you friend. You have such a huge heart for helping others. Know that now, in your time of loss, there are many, many people whose lives you have touched, that are reaching out to you with their thoughts, prayers, and warm, loving energy. Our thoughts and prayers are with Bronco's family also. May all enjoy the peace that comes from knowing that while the physical body is temporary, the spirit is eternal. We all live on, and will see one another again on the other side of the veil.
Abundant blessings,

“ Tracy,
We feel so blessed that we were able to spend time with you and Bronco last October. We had such a wonderful time and have such good memories; especially of our chauffeur Bronco, who took us from winery to winery. We love Bronco. We will miss him and hold him in our hearts always.
RIP Bronco you will be missed by many!!!

“ *Bronco your obvious love for my sister was clear. Your love for the flashy old cars almost matched your flashy wardrobe. When Tracy introduced me to you and your name was the same as my favorite football team an instant respect and friendship grew. I personally will miss you and our conversations! Everytime I feel the sun shine It will flash memories of you and your love for the sun. I promise you we'll love and look after Tracy. Love and miss you ~ Greg*
