

## Mrs. Carole Ann Matteucci

May 11, 1966 - July 15, 2016

On Friday, July 15th 2016, Carole Ann Matteucci passed away peacefully at home next to her husband, Steven “Red” Matteucci. Her son, Tony, his fiancé, Allison Rivas, newborn grandson Anthony Jose, her sisters Michelle, Lydia and Elena, her nieces Shannon and Kaite and her mother, Barbara, were also at her side.

3 ½ years ago, UCSF was able to perform a lung transplant due to the generosity of an organ donor’s family. Through the loss of one life, Carole was given the opportunity to continue hers and celebrate her 25th wedding anniversary, her 50th birthday and the birth of her grandson.

Carole had a lifetime of respiratory problems, but consistently took care of others with little attention paid to herself. Her selflessness and strength were inspirational to many, even those who were unaware of it. Although our time with Carole was short, her impact was immense, and her courageous spirit will live in our hearts forever.

In lieu of flowers and in honor of the additional years UCSF was able to provide for Carole, please send donations to UCSF in memory of Carole Matteucci by following the link below. Please select “other” when asked “How would you like your gift to be used” and enter 238889 MC2 Lung Transplant Patient & Family Fund.

If you are planning to attend the services, on Saturday, July 30th at 10:30am at Valente Marini Perata and Company 4840 Mission Street SF, CA 94112 we ask that you wear blue, as it was Carole's favorite color!

“ Hey cousin, I will always remember your kind soul and growing up with you and spending time together with our families. So many wonderful memories and I will also miss running into you at the dog park. I am so glad I recently ran into you at Safeway. I think we hung out in the produce section for over an hour just gabbing! May you rest in peace and give you Dad a huge hug and kiss for me! Love you!

“ To the Matteucci Family,

*I am so saddened for the loss of your Wife, Mother, Sister, Friend. May she now rest in peace and have no more pain. I remember her at the Basketball games at the Boys & Girls Club where our sons played ball together. I always thought she looked like a little girl and could no way possible be a Mom let alone to Big Red..lol My prayers and condolences go out to the Family and pray that your pain of her loss will be a little less painful knowing that she is now with Our Lord and will watch over ALL of you.*

*Sincerely,  
The O'Rourke Family*

“*I will always remember my sister as a big 'ol grump! Lol! For those of you who knew her well, you know that some of her favorite phrases were: Shut up, Whatever & Alright! These phrases were usually accompanied by an eye roll and her husband name! It is not the tender memories of hugs & kisses that I will hold on to, but the real & honest moments we shared with her as a family. I love u sissy & will miss those moments with you.* 🥺💙

*Thanks for making me smile in this sad time Elena. I think those are the 3 words I remember most as well.....and yes they were always followed by "Red!" :) One other phrase that I heard alot during football season was "leave him alone!" She always seemed to be on DJ's side no matter what. But because she scared me, I always did what she said! Her wit was understated, but it certainly packed a punch! She would come out of the blue with stuff that would have me literally rolling on the floor in tears! I will miss everything about her!! I will forever cherish the memories we made over these past 30+ years! I luv u Carole!*
