“ So sorry to hear this. Danny was one of my greatest influences in my drumming. He actually taught me about life through drumming. I will never forget him!

“ My prayers to the Perez family. Daniel was a very good, caring friend to me. He always took the time to drop a call, checking-up on me, making sure all was good. I can still hear your laughter, see your smile and I will always remember the last call we had a couple weeks before God sent for you. In your words, "I love you, and that's the truth and nothing but the truth" I'll miss you forever. Rena Chavez

“ Our condolences from the iturribarria family. Daniel was like an older brother to me and my brothers. Daniels family and my family are like family. Daniels life was cut short. But God pulled his lottery ticket and now he lives a better life. God bless you Daniel. See you on the other side brother.

“ My condolences to the Perez family, Growing up in the excelsior, Daniel was always a quite, nice and a sweet kid, he hung out with my younger brother, but to our family he was known as the nice kid on the block. This year has been a difficult time for our neighborhood that we grown up in, a lot of our childhood friends have gone to heaven but has left a special place in our hearts and many cherished memories. Rest In Peace Daniel
