I worked with Dinah for 4 years. She was a calming force in a chaotic environment. I enjoyed working with her and I'll miss her calming voice. I can still hear it. We had a great many laughs within the journey of our work.

I'll miss you Dinah. My sincere condolences to her family, friends and co-workers.

Dinah was a special person, we worked together for over 10 years. I met her nearly 20 years ago and we hit it off right from the start. She was always up and positive and such a beautiful person. We socialized outside of work many times and always had so much fun.

My very sincere condolences to her family and friends. She will be sorely missed.

Gina and Carolina, my deepest sympathy to each of you. I was shocked upon hearing about Dinah's passing. I remember her as a friendly and fun-loving person. I still fondly remember the parties and dances we attended during our high school years. I know it will take time to deal with your loss, but with time, you will find peace.

I am so sad for Dinah's loss especially for the remaining family since the family just lost their mother Emma. I am touched for I saw how weak she was when her mom passed and maybe she just felt she'd stay free of pain and suffering if she went up with Emma. i hope Dinah rests in peace and is happy and pain free now. She was such a warm hearted sweet woman.
