“ My prayers go out to the family of my Tia Emma as you lay her to rest today. May you feel His arms of Comfort & Strength holding you not only today but in the days, weeks, and months ahead. I pray that the Love she poured into each and every one of you throughout the years will continue to bear fruit in your lives & give honor to her memory. They say BIG things come in small packages...well, that was certainly true of my Tia's heart! Rest in Peace my sweet Tia.

“ Please accept my condolences for the loss of your dear loved one, Emma. Losing someone in death can be such a difficult time for family and friends. For many taking refuge in God's Word has proven to be comforting. One beautiful scripture that comes to mind is Philippians 4:13, " For all things I have the strength by virtue of him who imparts power to me." Although this is a sad occassion, you can gain the strength you need to cope during the days ahead.
