“ *Deepest condolences to the Eberle family, my dad worked with Erich for many years at plates  
My dad and Erich had a special comradery both being baker artists. I didn't know him well but I remember his great sense of humor, what a shame to loose such a great guy, he'll be missed, but in our memories.  
Prayers to all,

“ We were so lucky to have lived across the street from Erich and Marianne for eight years. Wonderful people and great neighbors. Erich was like the mayor of Capistrano Avenue. We were always welcome in their home - especially if we had an hour or so for stories and jokes. Erich would start his jokes as if he was telling you a story about someone he knew and then get you with the punch line. We looked forward to his plate of Christmas cookies each year. You will always have a place in our hearts, Pop.
