“ *Familia Marquez,
My sympathy to the family and his wife Laura,
I am lucky to have had your dad as my friend,
after my dad passed, your dad gave me
comfort with great words of wisdom, and he
continued visiting me at his dental office and always was positive
and always made me laugh, he always spoke highly of his family
and grandchildren, he was one proud dad, grandfather and a
supportive loving husband to his beautiful wife, I always told Mr.
Marquez "they don't make them like you anymore", he would just
laugh. I will truly miss his visits and my apples he would bring me.
He was indeed a great human who was loved and who will not be
forgotten. God bless all of you.*

“ *To my Loving Grandpa,
You were the rock of the Marquez family and will be forever missed. Please watch over us now that you are in heaven and an angel of God. We will take care of mom for you. Things won't ever be the same but we will never forget you. You were a good man, brother, husband, father and grandfather. When I have children I will tell them what an amazing man you were.
Love always,
