“ Florence Porter was a special person - one you could never forget after meeting her or having been fortunate enough to get to know her. I was one of the lucky ones as I worked with her in the early 70's at Schlage Lock Co. She was a STAR and I always looked forward to visiting with her and even being the brunt of her many practical jokes. We laughed away the hours at work until the time came for me to go back to college and follow my path. Unfortunately, time passed and although I never forgot Florence, we lost touch with each other...until one day a couple of months ago when I heard a whisper in my ear and the name/image of Florence Porter came to mind. The very next day I did a search online to find my long-lost friend in hopes of giving her a call to catch up on the many many years gone by. That is when I came upon her Obituary and I was surprised to learn that she had passed away only a short month ago. Was that you Florence whispering in my ear? Still playing jokes on me? I'll never forget you Florence! Please continue to watch over all of us from Heaven - till we meet again! Lots of Love and May God and His Angels bless you and shower you with 100 roses! XOX

“ Florence was a most interesting oral historian. I am grateful I had the opportunity to meet and talk with her and appreciate her generous sharing of her life and times.
Best regards to her family and friends.

“ Florence Porter was a life long Visitacion Valley resident and employee of Schlage Lock.
We enjoyed seeing her walking her dog and will miss her here in the Valley!
Rest in Peace Florence.

“ I close my eyes as I wipe a tear.
I just keep wishing you were still here.
I will hold all the memories deep in my heart.
Through these memories will never part.

I close my eyes as I wipe a tear.
I just keep wishing this pain would disappear.
I didn't get the chance to say my last good-bye.
I just didn't think you could ever die.

I close my eyes as I wipe a tear.
All of your love I will always hold near.
In my heart and my mind I will never be alone.
When my time comes.....
I will meet you in heaven!
I love you Auntie

"Just this side of heaven is a place called rainbow bridge When a animal dies that has been especially close to someone here the pet goes to rainbow bridge They miss someone very special someone they left behind than comes the day you are spotted by your pet in the distance finally meeting you cling to each other in joyous reunion

*never to be parted again Caress your pet look into those loving eyes Then you cross the Rainbow Bridge together" I no you and "LOVE" crossed that bridge together
I'll miss you aunty*
