“ *What a wonderful man, full of joy and laughter. As a young boy and man I always looked forward to family gatherings, I made sure to sit near Zio because I knew he had so many funny stories to tell. We always ended up laughing. My favorite was when he drove the cement truck and hit a refrigerator. Still not sure that really happened or not, but we laughed when he told it.*

*The saying goes "Laughter is the best medicine". If that is true then he made so many people feel better !!*

*God bless you, you will be missed.*

*Our thoughts and prayers go out to all of Zio's family.*
