Giulio Miracchi 1913 – 1996

Passed away peacefully after a long illness on December 13, 1996, at the age of 83, surrounded by his bereft family at his San Francisco home. Dear husband of Annette, his devoted wife of 54 years; beloved father of Silvano, Lucia, and John; cherished father-in-law of Janice; adored grandfather of Lisa and David.

He was born in Trieste, Italy, in 1913, and received his doctorate of Mechanical Engineering at the Istituto Politecnico di Milano. In 1956, he realized his dream of bringing his wife and children to America. He then founded and operated G.M. Steel Engineering for thirty years.

He will be missed and remembered internationally for his wonderful sense of humor, his love of history and literature, and his devotion to family.

Friends are invited to attend the Vigil Service on Monday at 7pm at Valente, Marini, Perata. Funeral services will be held on Tuesday, 10am, at Immaculate Conception Chapel in San Francisco, followed by procession to Italian Cemetery, 540 F Street in Colma. In lieu of flowers, we ask donations be made to The American Lung Association.

Ti vogliamo tanto bene!
