“ *Sending our sincerest condolences to Beverly and to John's family on his passing. He will always be remembered as a good and generous friend. We enjoyed our business relationship with John & Bev many years ago in the Bay Area as well as John's involvement in recent years with the desert's hot stove baseball meetings. He was a kind man with a wonderful, warm smile and he will be greatly missed.*

“ I played on softball and basketball teams for 25 years with John in the Palo Alto and Redwood City adult leagues. We had a great group of guys on those teams and really enjoyed being around one another. John was also a very good golfer and always managed to set up a match or two with my brother Phil when he visited me from Oklahoma. John and Phil became good friends over the years.

*I have many good, fun memories of John.*

*My condolences to his family.*
