“ *The Thomas Family would really have liked to have known Kay passed. My Uncle Tom called her every week for years and then the phone stopped being answered. We tried calling for several weeks and tried finding her son can called all the David Roberts in SF. Kaye was my Grandma Bernice's best friend and we considered her a part of our family and always will. We finally called the police and the coroner and got the info she passed. We are distraught to have missed the funeral of the only sister our grandma every had. Thank for the great memories Kay. Thanks for telling us all the funny stories about gram.. Thanks for being such a doll and such a fun and wonderful person.*

Love You,

*The Thomas Family.
