“ Lester... I'm already missing you! We go way back not only to our high school but our middle school days. At one point, it seemed like our lives were destined to head down a similar path (i.e. the US Army). It's funny how life throws you a "curve ball" and changes everything. Nevertheless, coming to visit you each time is like things have never changed... just like old times. Now, I have one less reason to visit "The City" when the opportunity arises. RIP buddy! You deserve to be in a better place!!
