“ *My mom was a loving woman who had the strength of a thousand soldiers. She took care of 5 teenagers and 2 grand children at the age of 30. She cared for us with all her heart and soul, giving us the best she can possibly give and putting everyone first before herself. She also loved her husband deeply and even worried for him when she was sick. I will miss my mom dearly and pray that she is now in peace. I love you Mom.*
