“ I am completely saddened and heartbroken to find out that Manuel passed. I met Manuel waaaay back when we were in the eighth grade at James Lick. He left such an impression that I never forgot who he was and what he looked like. We ran into eachother in '09 and again in '10 it was like we never lost touch. He was still a nice guy with a sweet smile who loved his family. I'm sorry that I didn't get to say goodbye. I know he will be the sweetest guardian angel anyone can wish for. My heartfelt sympathy to the family for your loss. I can only imagine the depth of your sadness. Please know that Manuel will be missed and never forgotten.

“ Manuel,

I just wanted to let you know how much I loved you and will miss you terribly. I know that the kids and I were always in your heart and I hope that you know that you were always, always, always in ours, where you will always be. I love you babe. Being the first and last girl that you loved we shared alot of memorable firsts and lasts together. We had a once in a lifetime love. No one can ever take your place in my heart. Con tu adios tu llevas mi corazon..... Gina
