

Mrs. Margaret Barbara Salgado

March 6, 1949 - April 24, 2016

Maggie Salgado died at home peacefully in her sleep early Sunday morning. She is survived by her son David Huebner, her sister Marie Salgado, her nephew Mark Mikofski, her niece in law Suzanne, grandnephew and niece Oscar and Lucia, and her two dogs Bob and Madison.

Maggie was born in New York City on Sunday, March 6th, to Isabel and Manuel Salgado. She was a fun loving Hippie who moved to San Francisco during the Summer of Love. Here she settled to raise a family and further her education.

Maggie had a degree in business and worked for many years as a respected medical bookkeeper for several Bay Area Clinics and Animal Hospitals. She loved animals, especially dogs, and raised several pedigree litters of Golden Retrievers. Maggie was an avid reader and longtime fan of the S.F. Giants.

Maggie was a loving mother, aunt, sister and friend, and was loved very dearly. Recently she struggled with a rare vascular disease (HHT) that ultimately caused her death. Private Celebration of Life is planned in the future. In lieu of flowers please make donations to NORCAL Golden Retriever Rescue (<http://www.golden-rescue.org/>).
