They settled in San Francisco but not before stopping off at Disneyland in its opening year for a fun time. Maria worked at Rapid Mounting Co. in Burlingame for a few years then became a housewife, a job she excelled at. Maria was the best of the best when it came to being a hostess and cook. She and Luis embarked on many adventures traveling and cruising around the world enjoying the over Fifty years that they were married, creating unforgettable memories. One of Maria's great loves, was being with her grandchildren. They brought her such joy, and she loved to pamper them when they were with her. “ To the family and freinds of Mrs. Carballar:
I send my sincere condolences. I work voluntarily here in the local community, offering words of solace to those that have lost a loved one in death. May the family and friends find solace in the promise that soon, "all those in the memorial tombs will hear his voice and come out..."- (John 5:28, 29) More comforting information can be found here: <http://www.jw.org/en/publications/books/dead-live-again-tract/dead-live-again/>

Dear Alex, Gloria and the Entire Family:

There are no condolences. My heart is filled with the joy of having known your Mom, such a strong, and giving woman. She lived a long, beautiful life. It will continue in the ever after, where she will find great joy in the presence of her God. We all should wrap ourselves in the warm peace that she's finally found. Feel the warmth? It does wonders for the heart. I feel her embrace, and I see her smile. I am so happy that I knew her, and that we were able to share such fun times. I can still taste her famous flan! What a great legacy, and what great fond memories.

Salud, Senora! Salud.
