“ *Marilyn was a very special lady. Thinking back on all the years I have known her makes me smile. We shared stories about our families- and she always caught me up about Janet and her kids who she loved so dearly. I will miss my tax return phone calls!!! I hope Marilyn is at peace with her Mom. God rest her soul.*

“ *Although there are no words to ease the sorrow that it's yours, thoughts and loving memories last as long as time endures. May your treasured memories grow more precious year by year and help to bring you comfort in the loss of one so dear. I emailed Marilyn a couple of months ago and didn't hear from her.*

*Sincerely,
Alice Santana Aguirre

“ I knew Marilyn for a long time at the SPCA and she always helped wherever and whenever she could. She loved working with the kittens and finding them their forever homes, and working at Macy's Holiday Windows. She helped the Animal Care Associates feed the cats and kittens every week, and had increased her volunteering to two days a week. I am so sad that she is no longer with us, but I know that she is reunited with her mother, who meant so much to her.

“ *Marilyn was one of the first people I met when I first started working at the SF SPCA. She had such a great spirit to her! Over the years, we became very close. She was my friend as I was hers. She supported me through all my milestones (when I got married, promoted, and everything in between). She loved coming here every Saturday to help feed the cats! What an amazing person and volunteer! This is a huge loss for us and I know I will miss her dearly.*
