“ My condolences to the Marquez family during this hard time. Know that you are in my prayers, Martin was a very special man and I am glad to have known him

“ To the Family of Martin Marquez, I would like to extend my deepest condolences. It can be extremely difficult to lose a loved one. That is why I wanted to share the hope found in the Bible, the hope of the resurrection. Jesus stated at John 5:28 & 29 “The hour is coming in which all those in the memorial tombs will come out”. In addition Revelation 21:4 states that there will be a time when “ death will be no more”. These scriptures give us hope for the future as respect to our dead loved ones. Those scriptures have brought me comfort and I hope they can do the same for you and your family.

“ Hi Papi. My world was taken away from me every since Sunday afternoon. I've been trying so hard to be strong for Mom, Reyna, and You but it's been the hardest time for me. I've been so lost these past couple of days and haven't found my way back. But I know you're with me, I know. And you showed me this morning when you came to visit me in my dream. You told me "No te preocupes" don't worry. I woke up at peace because I knew you were finally on your way to find peace. I just love and miss you so much, Dad. No one will ever be as cool as you Pa. And just thank you for being the best and greatest you were able to be. We didn't get to see each other much as I grew older but now I know you'll be here with me in every step, every morning, and every night. We're finally together, and all I have to do is close my eyes and think of all the beautiful times you were able to create with me. I'm so happy to have you now as my Angel making sure I rebuild my world and regain my strength. Thank you Papi, for everything. - Tu Big One

“ Our world has been turned upside down. This is going to be one of the hardest days i've had to face. i ask GOD to give me strength and support so that I can be the strength that my kids Telin and Reyna need. Martin, rest assure that I will see that your hijos reach the goals you've dreamed for them. You have left me the best gift of all, our hijos. We may have not been the perfect parents, but we God has blessed us with incredible kids. Together we shall take one day at a time and treasure all the wonderful memories we had together. You are no longer feeling pain, you will no longer be cold, hungry, scared, lonley or worried. You are now with Mama Chayo and Papa Tolo that will take care of you. Please watch over your pride and joy, tus hijos. Te quiero mucho y hamas te olvidare. Descansa En Paz Jets, tu Bola
