“ Dear Nick, Marsha and John,
We were so sorry to learn of Mary's passing. Our thoughts and prayers are with you all. Growing up, I have many fond memories of being with your family, and Mary was always at the heart of every celebration. My mother, Winnie, is so fond of your family and whenever she tells us stories about her years in San Francisco, Mary and John's names were always mentioned. Just the other evening at dinner, my mom was talking about the elaborate dinners, the card games and all the laughter she remembered whenever she and father were with them. Mary made a lasting impact on everyone who was lucky enough to know her, and she will be sorely missed.
Sincerely,
Rob and Veronica Lynch

“ *Marsha and DeSala Family,
Our thoughts and prayers go out to all of you during these
challenging times. In knowing "Mom" for some 30ish years, she had
a zest for live and a "Heart of Gold" that she wore on her sleeve
with loving kindness. When you went to visit her, you had to eat
something or she would be insulted. "Mom" had a charm and keen
wit about her that could put a smile on anyone's face.*

*Remembering the times when I visited with "Mom", she'd talked
about and absolutely adored her family. Always spoke of how very
proud she was of everyone and would go on sharing countless
stories. Yes, "Mom" was truly interested and concerned of others
including friends asking how they were doing and we'd laugh and
joke together.*

*"Mom" was an amazing human being and will be sorely missed.
May "Mom's" memories be a blessing and live on within all of us.
