LO

“ *we will always cherish the memories we had with you. we love you so much mom.*

---

**luz p ochondra** - March 20, 2012 at 12:00 AM

LO

“ *how we miss you so much but the people around you there have deprived you from communicating with us.... your only sister, nieces and nephews mourned for your death....so sad just known it from the net after more than a year already since you were buried.... we love you so dearly and you will always remain in our hearts... been sending letters and calls but no avail.... we love you mom...*
