Ur brother reminded me of when I used to call & started a conversation w him only for him to finally tell me it wasnt u..lol..I didnt hear from u for 2 years when u got into a relationship w someone who didnt like the fact that ur bff was a girl..when that relationship was over u calle me..u apologized & made jokes & I forgot that i was mad @ u..U promised that it would never happen again..I remember all our good times..clubs, parties, hanging out @ Bernal Heights & La Raza park w all our friends..u & Eddie always had my back (keep the creeps away..lol)u guys are my brothers..he misses u so much too..u were two peas in a pod along w Adrian (Ding Dong)u were known as "Dumpling" to our group of friends..tomorrow will b two weeks since u have been gone & the wound is still fresh..I will continue to talk to everyday..u will always be in my heart even though its broken into a million pieces..I miss u my dear bestie and one day we will see eachother again & we can catch up..Im a little lost but we have great friends & we have been there to support eachother..promise to keep in touch w ur brother bcuz i know thats how u would want it..i love u and u will FOREVER b in my heart and in my thoughts..ur irreplaceable...until we meet again luv..

“ I was sorry to read about the death of your dear loved one. Many ask,why? The Bible teach at Romans 5:12 "through one man sin entered into the world and death and thus death spread to all men..." Adam was that one man who caused all of us to inherit death. He disobey Jehovah God's command at Genesis 2:15-17. The Bible teach that God is the "source of life."-Psalm 36:9 Being that life comes from him, he has the power to give life back to the dead. The Bible teach "all those in the memorial tomb will hear his voice and come out."-John 5:28,29 Soon Jehovah will command Jesus to bring the dead back to life in paradise on earth when "death will be no more."-Revelation 21:4;Isaiah 33:24

“ To my Brethren, Compadre, Aries Brother and Friend? I will miss you with all my heart and love. When you told me the end was near and you vowed to fight it I truly believed you and know in my heart you fought a GREAT fight!! I also know that we can not go against God?s plan and path that he has paved for us. With great understanding and strength I know in my heart God needs you to be the Greatest Spiritual Warrior to be called upon. In your time here on earth you showed me what a true loving brother and friend you are. No one can ever tell me any different. No matter how long we stayed apart you always found time to call me to check in and let me know what is happening with you so I don?t worry. And right before we hang up I would always say I love you Mike and you always replied I love you to Cil and tell Jace, Lil Jace and Kaila I love them too!! Now that you will be our most Greatest Spiritual Warrior, I can rest easy knowing you are a prayer away. I will always remember that warm special love you gave to me by always protecting me even though Jace was right there with us you never took your protective guard down and that was something that made me feel special. Thank you. Thank you. Thank you for loving us with passion, understanding, laughter and no judgment. You will be truly and deeply missed in your human form and I know your spirit will always ride with us every where we are.

“ *The trouble with time is there always seems to be an infinite amount...another day, hour, minute or second. We often forget who and what matters (life is what happens while you're busy making other plans-J.Lennon). Thank you Michael, so much of my childhood was filled with happiness because of you! Much love and peace.*
