“ Dear Kevin,
I was so sorry to hear about your dad. I'm sure he is at peace knowing you have found a career that is so fulfilling. I will never forget your folks when you were just a little guy living a couple of doors down from my mother. Know that you are in my prayers...and heart.

“ Ann & I can remember the wonderful times we celebrated holidays together and the times we "just hung out." I will also keep in mind the long hikes and cave spelunking that Mike and I did together. Mike and I shared almost everything together and I know how very, very much he loved his son. I also know how much he enjoyed life and creating "things." His life was far, far too short!
