

Ms. Nanette Ramos

April 21, 1955 - July 6, 2016

Nanette was born in Manila, P.I., the second daughter of Pat and Remy Ramos. In 1959 the family relocated to S.F. where she attended St. James and Immaculate Conception Academy. She worked at Bechtel for 34 years.

She was a fun loving and playful person; hard working and strong willed - she never backed down from a challenge. She was a loyal sister and friend. She met her soul mate, Bart and was with him for 30 loving years.

Nanette is predeceased by partner Bart, parents Pat and Remy, older sister Liz and youngest brother Regan. She is survived by sisters Monina and Arica, her brother Ed, sister-in-law Nancy, nephews Jeremy, Anthony, Kyle and Dylan, and her niece Marisa.

Friends may visit on Wednesday July 20, 2016 after 4PM and are invited to the Memorial Vigil Service also on Wednesday at 7:00PM at the chapels of Valente Marini Perata & Co. 4840 Mission Street, SF. “ *I met Nanette many years ago while working at Bechtel. She was the consummate professional and always pleasant to work with. After Bechtel, Nanette unknowingly bought the house next door to me. We were both surprised to see each other one day when we arrived home at the same time! I'm grateful for the time we had to get to know each other outside of the work environment, as short as it was. Nanette remained true to herself during her final journey. I never saw her let cancer affect her attitude or demeanor. She remained the kind, sweet, and considerate person we all knew.*

My prayers go out to Nanette and her family; both those who mourn her loss and those who welcomed her home.

“ Even though our family has been on the periphery of the extended Ramos family...we have all come to know, love and enjoy this beautiful family. Working with Liz for a decade, before her sudden and untimely passing, we heard often the stories of the family, siblings, nieces and nephews, which made us all feel like we had grown up together!

I come from a family also with 6 siblings and our hearts are breaking for the incredible losses you have all endured over the past few years. As with our darling Liz...we can take comfort in the knowledge that Nanette is finally at peace and reunited in love with God and her loving family, who have gone before. We are thankful that Nanette is no longer suffering the pain and grief of this mortal life.

Although Nanette and her loving partner, Bart, never got the chance to enjoy the relaxing retirement they had planned together, we know that they are once again at peace and together.

We take solace in visualizing them all together in God's hands and watching over all of us, who they have been left behind. They are helping now to guide us and have already shown us how to live our lives with grace and dignity. The chain has once again been broken, but we will all be together again one day in God's love.

“ *Dear Ramos Family,*

My prayers are with you on the passing of Nanette. I was a friend of Nanette's from the ICA days and we even worked together at the Federal Building in SF in the 70s. Although our paths went in separate directions, I will always remember sweet Nanette with that beautiful smile. I am deeply sorry for your loss.

“Cousin Nanette, it is with deep sorrow when we received the sad news of your 'departure' to the Kingdom of our Lord. We have just re-connected a couple of years ago so it is very frustrating that you have to leave this early. However, the thought that your body will no longer suffer makes the pain of losing you more bearable. You will be re-united with Dad Pat, Mom Remy, sis Beth and bro Regan.

We will always pray for you. Rest in peace...

From your Caluag cousins and our families: Rosie, Erlic, Tess, Dann, Rose, Mel and Ronald

“Ramos Family, I'm so very sad to hear this news. I went to ICA with Nanette. I have fond memories of my friendship with Nanette. I love this beautiful picture of her. I remember how thoughtful and kind she was, but, mostly, I can hear her lovely laugh. She had a certain elegance about her, even in those younger years. We had dinner together a few years ago. It was great to reconnect with her. Again, I am so very sorry.
