“ My favorite memory of Auntie was her contagious laugh. :) It always amazed me whenever I would spent time with her and cousins - her mannerisms and way she talked was just like my Mom it would amaze me! She always encouraged me to reach for the stars and find my own happiness. Her shining essence is etched in my mind forever. She has a lifetime passport to my heart. Love, niece Xuan

Xuan Luong - April 10, 2014 at 05:26 PM
