Some things I remember about Pete. : He loved Frank Sinatra, Patty Paige, JFK, golf, bowling, huevos rancheros, the San Franciso weather and most of all his family. He was a proud man, but would humble himself for his family. He took great pride in his work and working for the 49er's and the Giants. I believe he is at peace and enjoying his family and friends who predeceased him. He was a friend without reservation and will be in my memory forever. "Chata"
