

Mr. Regan Ramos

August 28, 1961 - August 8, 2014

Regan was born and raised in San Francisco, CA, son of the late Pat and Remy Ramos. He moved to Redwood City to start a family of his own with his beloved wife Nancy and was currently working for AIG. Regan's number one priority and joy was his family. He loved sports, coaching, hiking, family vacations, a good meal and a good time. Regan was a gentle soul with a fun sense of humor and a mischievous laugh. Although he lived a short life, he lived it to the fullest. He is survived by his wife Nancy and children Marisa, Kyle and Dylan. He also leaves behind four sisters, a brother, in-laws, nieces, nephews, cousins, and countless friends and loved ones who will miss him dearly.

Viewing will be at Valente Marini Perata, 4840 Mission St, S.F. on Aug 19, 4PM with rosary at 7PM. Funeral mass will be 11AM Aug 20 at Epiphany Church, 845 Vienna St, SF; burial to follow at Holy Cross Cemetery, 1500 Mission Rd, Colma.

In lieu of flowers, the family appreciates any donations towards a college fund for Regan's children.

“ I just learned today about Regan's passing. I met Regan at Riordan High School. We had some great times together in the late 1970's and early 80's. Regan had a knack for finding the newest upcoming bands/music before they would hit main stream. We eventually both finished college moved to the Peninsula. I would run into him and his family occasionally over the years either on some sports field or downtown San Carlos. The last I heard from him was on my birthday July 17th 2014 as we were trying to nail down a lunch since we both were working from home. That lunch never happened and I really wish I had made it a higher priority to be with my friend and reminisce about the "good old days" one more time. There are so many nice words here on this site about Regan, he had all these characteristics even when he was a young man.

“ So sorry to hear of Regan's passing. I got know him briefly while score-keeping during our sons' Little League games together. He was a always a cool, friendly, easy-going chap and very supportive of Dylan during the games. Our thoughts and prayers are with your family.

“ I got to know Regan when he coached my children's sports teams. He was a gentleman who I enjoyed chatting with when we would run into each other at games or down at Nob Hill. We shared a profession which we would talk about.

He was a wonderful family man who enjoyed traveling with Nancy and the children. In fact, we once ran into each other at Disney in Orlando. What a small world I remember thinking at the time.

I will miss his great smile and warm demeanor. His legacy will continue through his wife and children.

We want to let you know that we are deeply saddened by the loss of Regan. Our hearts and thoughts go out to you and all of your family. Regan was always such a positive light at baseball, with his big smile, enthusiasm, support of the kids, friendly interactions with the parents, and positive attitude. “ Liz and the extended Ramos Family,
The sudden passing of Regan has been a sharp reminder of how precious and fleeting life can be. We can honor Regan by following his example of loving his family and friends unconditionally. It makes us smile back at him, seeing his picture in 49er gear and enjoying every minute. He will be enormously missed by all his friends and family, but will always be close to us in spirit as he watches over his family, while in the arms of God. His life, although too short, is a shining example of positivity and service to others. He is only gone from the space we know....but he will remain in our hearts and prayers forever. Beloved Spirit Go Free.

“ I am so sorry to have read of your loss. Please accept my sincere condolences. The Bible is a great source of encouragement at times like this. Something that I have personally found to be of great comfort is what the Bible says at John 5:28, 29 (Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment.) As well as Revelation 21:3,4 (With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.) These verses show us that soon God is going to bring about a resurrection of our loved ones as well as do away with all causes we have for suffering including sickness and death. Knowing this has always comforted me and it is my sincere hope that these thoughts comfort your family as well. Again I am so sorry for your loss and May Jehovah God bring you comfort during these difficult times.

“ Regan was always very positive regarding his life. He was a man who loved his family and friends. He shared with me on many occasions experiences about his children and the excitement of sports, graduations and celebrations. Though we have been separated over the years as we followed our own paths in this world, we both managed to meet the loves of our life and have wonderful children we hope will help make this world a better place. I guess God must have something special for you to have taken you away from us so soon. I'm sure heaven must be a little brighter with you there just as this world seems a little darker without you. Take care my friend. Will see you when God wants us to meet up again.*

" Words can't explain the loss of such a great man and father. Regan was one the most honorable men I've ever met. He was always excited about his kids activities and taking trips with his family. Heaven has just called upon an Angel. Love you my brother Regan and rest in peace until we meet again.
