“ Bob, from the time we met, you and Marie always made me feel
welcome in your home. I will never forget the Harley ride, many
family gatherings and your way of making people laugh.
Although you will be missed by MANY, now you can enjoy all the
things you love, carefree.
My love and condolences to Sandy and all the Criswell kids and
their families.
Love, Laurie Bruno (martinez)

“ Bob, you will always hold a very special place in my heart. You were
a second Father to me and my brothers. I love you, and cherish the
times we had together as well as the way you always made me feel
like one of YOUR own!! San Francisco has lost one of the good
ones!!
