“ Mom,

Thank you for all your generosity, patience, kindness, guidance, and the many wonderful gifts you gave me for the years you knew me.

Thank you for giving me a rich heritage stepped in tradition realizing the importance of preserving it and holding it, and you, very close to my heart.

Thank you for all the times I acted very less than an ideal son. Thank you for realizing the importance of family and instilling it in me. Thanks for the tough love.

As a child of The Great Depression of the 1930's and The Greatest Generation who selflessly fought to establish this great nation, fight off aggression during the second world war, and give your children a world significantly and substantially better than the one you had : I am eternally grateful and can only hope my actions and words living my life by what you gave me serves to show my gratitude.

You were a SUPERB mother and you WILL BE MISSED !

Your loving son,

John C. Popescu
