“ Dear Sandra,

I have thought of you several times over the years and my thoughts and prayers are with your beloved family. We worked together at the CPUC, and I was thinking today, of how we occasionally rode home together from work. You spoke often of Dave and your beloved Amanda. You are sorely missed by many.

“ My husband Wilbur and I would like to extend our heartfelt sympathy to Sandra's family. Sandra and I worked together at the CPUC in the Energy Division. We were both engineers and were one month apart in age. We quickly became close friends. We used to work out at lunchtime together, quickly developed a tight bond, and became great friends. Sandra was such an intelligent, fun, vibrant, and kind person. I'll always remember her fondly.
