“ ~ QUOTES AND ANECDOTES OF MOM FROM FAMILY AND FRIENDS ~
(CONTINUED)

*“She was such a true and kind friend.
She was also the glue and matriarch of your family.”*

“She was so proud of you and Stacey through your academic and extra-curricular accomplishments and then your beautiful children. But, she never boasted nor bragged. She considered your accomplishments natural products of what she expected of you. What a strong mother she was. I was so impressed!”

*“Those days were the basis for a friendship and we became a family.
I will be forever grateful for that...the early days and all the days in between.”*

*“Some of my greatest memories are the early ones!
All your mom had to do was call me and I would roll out in my jammies
and straight up the hill for our medicinal glass of wine!”*

“Your mom in her house coat and curlers and me in jammies and probably no shoes!

*“When ever we met for dinner, there was always an envelope that was going to be brought out with grandchildren pics!
We loved it and she glowed when she shared her love for all of*

you!"

"When the "brat pack" gets together, Sandy will be with us in our hearts."

"Sandy was one of the very special people in my life that I loved spending time with and I respected her so much. Her love of God, family and friends drew me to her over 20 years ago when I first met her."

"She was so funny and creative and we spent time doing crafts, eating out, laughing and sharing our families."

"...all the funny, silly, happy times we shared especially when we laughed so hard we couldn't speak and tears would run down our faces."

*"My daughter and son in law helped me with this aloha for Sandy.
The kids swam plumeria and pikake out to sea
and the flowers headed towards Lanai..."*

"Sandy was one of my best and closest friends and words can't express how much she will be missed. I will be forever grateful for our friendship and the relationships I have because of her. She was the best and I am so very blessed that I had her and all of you in my life."

*"I look up at my ceiling and believe she's in heaven.
I believe she is listening to me.
I tell her about my day.
Maybe you should try it.
It helps me."*

“ ~ QUOTES AND ANECDOTES OF MOM FROM FAMILY AND FRIENDS ~

“Your mom was very much loved and appreciated at the Church. We'll miss her hospitality in the kitchen preparing for the coffee hour that everyone looks forward to (all week). I loved your mother's dry humor and that stare when she doesn't approve of something. I loved kidding with her because we both remember the old days in Chinatown.”

“She was such a wonderful person... someone who I will miss dearly, as I'm sure by all those who knew her. You may not know this, but she's had quite a profound impact on my life. She's been around during some of the most important times of my life.”

“And, of course, everyone knows your mom was the catalyst for all those wonderful Thanksgiving, Christmas, and Chinese New Year parties. She was the glue that held us all together year after year.”

“...her positive attitude and encouragement to our church membership.”

“Auntie Sandra will always be in my heart with all the good memories we all had together.”

*“Your mom and I go back many years and have many good memories.
I am sure you and your family also have good times together.
Stay strong and know that your mom is in good hands.”*

“...Magnified by the bravery and courage she showed us everyday. We will miss everything about her and hold you all deep in our hearts.”

“She and I have been friends since the 3rd grade, for 64 years.”

"But you are so right when you say that heaven has a new ANGEL."

"...firstly she was a friend and such a nice one too! We often laughed about that comment...it was our "own inside jokes."

"Your Mom is among the Angels now. God will care for her."

"...We were so fortunate to spend time with her during this past year."

*"How we all laughed and ate, laughed and ate,
and just enjoyed each other's company!!
I will treasure all those times for the rest of my life"*

*"Our New Years pot luck and lunch at Sharis will
never be the same."*

*"Sandy was so much fun, such a character. She was the reason I
enjoyed going to work! She had such a natural way of saying a lot,
but with only a few words but self-explanatory facial expressions."*

*"She always did the ordering in Cantonese, and I am absolutely
sure we got the freshest dim sum because of that."*

*"Cry for her now, but celebrate
the greatness
of this short, humble, spunky, expressive, wonderful Mom.
I am so proud to have known her."*

*"I know she was a good friend to my parents
and I remember the days when we used to go to your
house and play together as kids."*

*"I will always remember we would stay up all night doing puzzles at
her place."*

“ *I will always remember my childhood years when Janine and I would spend a week or so with Auntie Sandy. It was always foggy compared to sunny sacramento! She would tell me, "I will talk to mr. sun to see if he could come out" From juicy juice bars, juicy fruit gum and wonderful fun memories, our visits were always a blast! Even on those foggy days, SHE was the sun shine! I thank God for her and my memories.!*

My heart goes out to Marius, Stephanie and Stacey and of course all of the family!

love you all-Joellyn

“ *Marius, Stacey and Stephanie and family, I am saddened to hear the about the passing of my friend Sandy. We were a group (Brat Pack) and shared so many wonderful fun times together in addition to long conversations about our families, grandkids and all our hopes and dreams. Sandy had such a great sense of humor and her energy level would make me tired just being around her. Of course my heart breaks for all of you, especially my wonderful long ago boss Marius. They had a marriage we could all admire. She loved her family and I have so many memories of the family parties and celebrations. I will miss her so much but will always remember her warm smile and great hugs.*

“ Oh, how we miss you, Sandy!

- The times you test tasted all those chips!
- the many clearings of our "storage" refrigerator!

Though I have known Sandy for only a couple of years, I know full well what a wonderful and kind person she was. I was devastated to learn of her passing. Just finished viewing all the wonderful pictures and tributes. May precious and joyous memories help to comfort and sustain her family and loved ones in this time of sorrow. Genevieve Chan
