“ I have so many wonderful memories of Uncle Tom. Weeks spent during the summers when I was young, swimming in their pool, wonderful family holiday's and meals. And a fun pizza night in San Jose when we all ate to much!! Recently meeting him and Aunt Mary Lois for our lunches at Louie's in Santa Rosa. I feel sad that we haven't been able to do that for awhile. I'm so glad I got to see Uncle Tom, tell him goodbye and that I loved him when he was at the Santa Rosa Kaiser Hospital.

With Love,

“ God looked around his garden
And found an empty place.
He then looked down upon the earth,
And saw your tired face.

He put His arms around you
And lifted you to rest.
God's garden must be beautiful,
He always takes the best.

He knew that you were suffering,
He knew that you were in pain.
He knew that you would never
Get well on earth again.

He saw the road was getting rough
And the hills were hard to climb.
So He closed your weary eyelids
And whispered “Peace be thine.”

It broke our hearts to lose you
But you did not go alone...
For part of us went with you
The day God called you home.
