“ *Violeta, I'm sitting here with tears in my eyes, smiling while remembering you. It just saddens me that you're gone. I'm so happy and grateful that I got to know you. I will never forget you. Today, when I found out, I started reminiscing about how the girls and I were bandidas and would play tricks on you. You'd always laugh and tell us that you'd get us back haha. I remember como me llamabas mamita. Recuerdo como nos quisiste a todas. Love, Veronica Somarriba*
